Welcome to Flesherton! Walk main street grab a coffee, fresh bread, some amazing cheese and a hearty meal. Explore the park, the library, local artists, and the museum. Nature lover? Take a short trip into the Beaver Valley (approx.10 minute drive) for skiing, hiking, biking and more. A little mix of everything topped off with a strong sense of community. Flesherton is about 1.5 hours north of the GTA but you could make 26 Collingwood Street home base and have easy access year-round for much less than the price of a home in the city and much less driving. Since we can work from home, the weekend retreat isnt just for the weekend anymore! The 1.5 storey home has 3 Bedrooms, 1 bathroom, a single car attached garage, and a large back yard. Updates since 2017 include steel roof, windows, siding, and interior facelift. Natural gas heat, high-speed internet and a comfortable floor plan round out the full package.
